XAMARIN DEVELOPER (f/m/x)

SOFA 1

SOFA 1 GmbH has specialized in the development of customer-oriented software solutions. We cover all modern media. From interactive prototypes, mobile apps, cloud solutions to modern web applications, we meet every customer request.

Our primary goal is to simplify business processes without compromise.

We're not trendy – but kinda technical fancy!

With us you can work 5 days a week in a core time from 8:00 a.m. to 3:00 p.m., 38.5 hours (we don't do overtime!). We work as a team in the SOFA 1 Office, are constantly developing, work with state-of-the-art technologies, on varied projects and for well-known customers in Austria, Europe and the USA.

#joinsofa1

YOUR DAILY BUSINESS

- Further development and programming of mobile applications based on Xamarin and .NET C # using Microsoft Visual Studio.
- Planning, programming and documentation.
- Independent development and implementation of application concepts and total solutions.
- Continuous care and technical support.

YOUR SKILLS

- Constant interest in the latest technologies.
- Min. 2 years of professional experience in programming with Xamarin.
- Willingness to analyze and develop existing program processes.
- High quality awareness, customer orientation and economic thinking.
- Initiative and active exchange in the team for knowledge transfer.
- Business education (HAK/FH/UNI) is an advantage.

WE OFFER

For this position, we offer a salary of **EUR 3,300** gross/month, which is in line with the market. In addition, we offer every employee **the chance of an electric company car or e-bike!** We are looking forward to your application! Send us your documents, stating a possible starting date, recommendations and references.
